

SILTEC

CARNET

**SUPER CONCENTRATED ANTI-STATIC SHAMPOO FOR
LIGHT VEHICLES - HEAVY GOODS VEHICLES -
MOTORBIKES**

THE PROFESSIONAL RANGE

DESCRIPTION

CARNET is an anti-static shampoo designed to clean light vehicles, heavy-goods vehicles, motorbikes, farm machinery, construction equipment etc... **WITHOUT MECHANICAL ACTION.**
It eliminates static film, fuel, oil, dirt, grease, atmospheric pollution traces as well as crushed insects. **CARNET** rinses off completely, leaving your bodywork with its original shine.

FIELDS OF APPLICATION

CARS - TRUCKS - GO KARTS - MOTORBIKES - FARM MACHINERY

INSTRUCTIONS FOR USE

Using a spray:

- Vehicles, cars, trucks, go karts...: dilute **CARNET** at 2% in water.
- Farm machinery: dilute **CARNET** at 5% in water.
- Engine cleaner: dilute **CARNET** at 10%. Spray on the engine and leave on. Scrub harder stains with a small brush. Rinse.

Using a hydraulic dispenser:

Adjust the device directly to the desired concentration.
Spray on the surface, preferably dry, from bottom to top. Leave it to work for 2-3 minutes without letting the product dry. Rinse properly using the same method, with cold water under pressure (90 bars minimum).

Using a car wash:

Prepare a solution of 1 litre of **CARNET** for 10 litres of water in the tank.
Adjust the final concentration according to the type of device used.

PRECAUTIONS

Relative to alkaline products. **CARNET** is to be used preferably on temperate bodywork in the shade. On old paint, it is recommended you try it on a small surface beforehand to adjust to the ideal dilution.
For professional use. See the MSDS (only upon request).

The information in our brochures, letters, reviews and reports is provided to advise you especially regarding testing that has been carried out, with an ongoing concern for objectivity and without any commitment on our part.

PACKAGING

Box 12 x 1L.
Box 4 x 5L.
Drums 30L-60L-210L.
